COMBINED BILLING AUTHORIZATION

By signing this form, you request and authorize your Ford Credit Canada Limited ("Ford Credit") accounts (as supplemented or amended orally or in writing from time to time) to be billed on a single billing statement. **Your combined billing payment is to be made payable to Ford Credit.** You understand and agree Ford Credit will apply your payments against the oldest due amounts first followed by current due amounts in account number order beginning with the lowest numbered account. You understand that any payment made that is less than the current due amount reflected on the billing statement may result in one or more of the accounts reflecting as delinquent and you may be assessed a late charge as provided under the terms of the individual accounts. Except as modified by this Combined Billing Authorization, the terms and conditions of all retail instalment and Red Carpet lease contracts will remain in full force and effect in accordance with their provisions.

Ford Credit may terminate your participation in the Combined Billing program at any time. You may cancel this authorization by contacting Ford Credit orally or in writing, and your cancellation will be effective five (5) business days after receipt of your request. Upon termination by Ford Credit or cancellation by you, you will receive separate billing statements for each account.
